Georgy M Rajan - 15:04
Hi Guys, Please Reply

Eldhose K A CSE Muthoot - 15:11
Hello,I am Eldhose

Basil Skaria CSE Muthoot - 15:29
hi
hey i actually think there is some things in pcology

Siddharth Ajith CSE Muthoot - 15:34
Im Innnnnnnnnnnnnnnnnn

Georgy M Rajan - 15:35
Ok da

Basil Skaria CSE Muthoot - 15:35
it seems that we must copy the chats to the git

Georgy M Rajan - 15:35
Working on First commit of README

Eldhose K A CSE Muthoot - 15:35
What are the main topics for the ppt

Basil Skaria CSE Muthoot - 15:35
lets plan
ppt contains the definition of psychology

Georgy M Rajan - 15:36
First, The Poop Machine
Eldhose 'Emotion Management' should be in next slide

Eldhose K A CSE Muthoot - 15:38
We should work on only one idea

Georgy M Rajan - 15:38
Which one then???

Siddharth Ajith CSE Muthoot - 15:39
Both are excellent ttopics

Basil Skaria CSE Muthoot - 15:41
lets work on psy
dont care about its presence in computing

Siddharth Ajith CSE Muthoot - 15:42

http://blog.efpsa.org/2016/07/12/python-programming-in-psychology-from-data-collection-to-analysis/

Basil Skaria CSE Muthoot - 15:42
i'm am forming a formal system that defines the parameters of the psy assessment

Siddharth Ajith CSE Muthoot - 15:42
@eldhose
https://www.psychologytoday.com/blog/emotional-freedom/201402/three-techniques-read-people
eldhose
good article

Eldhose K A CSE Muthoot - 15:46
Its saying that psychology analysis is already being done in python

Siddharth Ajith CSE Muthoot - 15:47
https://www.inc.com/justin-bariso/an-fbi-agents-9-ways-to-read-people.html
Should we move on shit machine
?

Eldhose K A CSE Muthoot - 15:49
Give me some topics to work on

Siddharth Ajith CSE Muthoot - 15:53
weve got a hit
Scatology
Study of poop

Basil Skaria CSE Muthoot - 15:54
dude sry lets work on the psy
cuz i almost read a whole paper published on it

Georgy M Rajan - 15:54
Yeah, I think we should work on psy

Siddharth Ajith CSE Muthoot - 15:55
ooooook
i suggest why "we" are interested in psychology
should go first
https://www.psychologytoday.com/blog/living-single/201803/6-reasons-why-psychology-is-your-secret-weapon
Try this article

Georgy M Rajan - 16:00
May be we should included how computer programming can be use there
*included -> include
*use -> used

Siddharth Ajith CSE Muthoot - 16:01
ok
So whose creating chat log?

Basil Skaria CSE Muthoot - 16:02
create an abstract
for psy machine using ml
readme should contain our woking strategy
and maybe this chat
